**ABOUT SAHYOG CARE:** Sahyog Care is a committed NGO that works to empower slum dwellers especially children and women. It began in 2002 with the vision of bringing smiles to the lives of disadvantaged people. Sahyog Care gives its "Sahyog" to the community by providing an integrated community development program.

In furtherance of its objective of serving the society ... SAHYOG presents the FIRST COMMUNITY PRIZES FOR CHILDREN 2018.

Working and believing in the same principle, Sahyog envisages a program for school children and youth by involving them in community services. Sahyog will encourage young children named "BAL SAHYOGIS" to participate in community service by felicitating them with awards and certificates of recognition.

**MISSION STATEMENT:** Sahyog Care is committed to support community causes for low-income families and individuals. By supporting these causes through children and youth we also support the mission of our organization by inculcating in the children a HABIT TO GIVE BACK TO SOCIETY.

Students often face challenges and problems that are difficult to manage. By working in the community, they learn how to

face these challenges in a better way. As students work within their community, they learn that they can be agents of change and make great things happen. This helps to build a sense of responsibility and pride in children when they see what they have done really helps others.

**ABOUT THE AWARDS:** The Sahyog Children Community Awards is a recognition program based exclusively on children's voluntary community service. The awards seek to honor middle and high school and college students for outstanding service to the community. This award is given in recognition of outstanding commitment to the community that demonstrates an exemplary devotion to create greater equity and opportunity.

### **AREAS**

- Healthcare
- Education (Child & Adult)
- Animal Care
- Disabilities
- Environment & Nature
- Senior citizens
